Questions for Parents: Why are you interested in a private school education for your child?

Describe your child's abilities in reading and mathematics.

How does your child compare intellectually to other children of the same age?

Describe the social environment of your child's present school and how your child responds to it.

Describe your child's attitude toward learning new things and his or her curiosity.

SciCore Academy Admission Application, page 2.

The student applicant should answer the following questions in his or her own handwriting. Additional pages may be attached, but try to be brief. Pre-K, Kindergarten and First Grade students may have parental assistance.

1. If you could meet any person from a long time ago, who would it be? What would you talk about?

2. What is your favorite subject in school, and why?

3. Tell us about your favorite story or book.
